

Dear Cedars Camps Parents, Campers,  
Alumni and Friends:

A first-edition, color-illustrated, forty-year  
history of Cedars Camps has been published!  
Its title is:

CEDARS CAMPS, ITS ORIGIN AND  
GROWTH 1962-2001

Written by Ruth Huff, and illustrated by  
Kristin Pratt Serafini.

The book includes ninety-three pictures of  
past and present buildings and programs, plus  
pictures of early and present campers and staffs.

The softbound edition is available for \$15.00 and the hardbound book is \$20.00.

If you would like to place an order, just send in the form below. I hope that you will have as much fun  
reading the forty-two pages as I had in authenticating and writing them, and as Kristin had in  
illustrating and designing them.

Sincerely and with great love,

Ruth E. Huff, Founder
