COME THRIVE AT CEDARS!

Our goal at CedarS is to apply Christian Science with joy. All programs include daily Bible Lesson study, "mets" before activities, Sunday School, hymn sings, Wednesday testimony meetings and Christian Science Practitioner talks.

YOU CAN AFFORD CAMP!

Every child should have access to the CedarS experience regardless of their financial situation. Generous Camperships are in place to assist with your tuition needs and make camp possible, even for multiple sessions. To apply for Camperships and adult work credits, visit cedarscamps.org/financial-aid.
