

CedarS Family Camp is our best week of the year! We make it a priority to attend because we view it as a spiritual recharge before heading into the new school year. We get to connect with our kids in a screen-free environment that encourages each of us to engage in joyous activity. My husband is non-CS and he feels warmly embraced by the CedarS family and loves seeing Christian Science put into practice.

—Family Camp Parent

Tuition Assistance

Tuition assistance is available for both youth and adults in all our family programs. To learn more or apply, visit: www.cedarscamps.org/financial-aid.

Refund Policy

Deposit or tuition is fully refundable until four weeks before arrival. After that, the deposit and tuition is not refundable, but all of it (less a \$50 office charge) can be credited to the next summer or another program.

2020 ADULT & FAMILY PROGRAMS

2020 Family and Adult Program Information

The costs listed below include meals, childcare, accommodations, and regular program activities. CedarS offers \$100 off for the third child and beyond.

About Our CedarS Sprouts Program (Babies-1st graders)

Parents can enjoy age-appropriate activities with their CedarS Sprouts, including swim lessons, horseback riding, sing-alongs, crafts, in-cab demos of our backhoe and other "big toys", and more. Or, you can drop off your little one with our experienced Sprouts staff while you participate in activities on your own or with other family members. We also offer free evening babysitting in your cabin or room so you can take part in workshops, fellowship, and fun!

CedarS Family and Adult Programs

CedarS family and adult programs are the perfect way to unplug, deepen relationships, build your spiritual foundation, and have fun together. Our wide variety of camp activities meet the interests and needs of all generations. This is a great way to introduce your children to camp, spend time with friends, or bring your extended family together for a reunion.

Choose from a variety of activities such as riding, cart driving with mini horses, low & high ropes courses, waterslide, ziplines, crafts, nature hikes, kayaking, archery, watercolor, Bible Lands Park tours, inspirational workshops, swimming, cable skiing, song writing, a 5k run/walk, square and rock dance, campfire s'mores, hymn sings, and more.

We welcome family members of all faiths to experience an inspiring environment where Christian Science is lived and loved.
