

This is a separate reservation & payment from the camper application & tuition. Please fill in form completely (one per camper) OR make online reservation at cedarscamps.org. Send in reservations **at least 14 days prior to arrival**: this allows time for important confirmations, communications, and planning.

Mail your completed reservation form & check to the CEDARS EXPRESS Coordinators (not to CEDARS):

In every detail, we strive to provide a complete and caring transportation package of services for your "precious cargo." Responsible parent staff and counselors meet campers at their arrival gate and take care of their luggage, tips, etc. They provide campers with meals and snacks, fun activities, and loving supervision overnight at Principia before they head to CEDARS Sunday morning. The three-hour chartered bus ride will fly by with the beautiful scenery, as CEDARS staff encourage new and old friends to sing and have fun in a plush, air-conditioned bus. Phones will be collected and secured at Principia, to be returned on the last night of camp, powered and ready for travel home.

EXTRA CHARGES FOR SPECIAL SERVICES

Additional fees per child may be charged for last minute reservations (\$10), early or late arrivals and late departures (\$25 in addition to the meeting charge) with prior permission to cover the extra costs in these special cases. These fees are in addition to all the regular fees. We cannot accommodate any departures before 2pm.

PACKING

Campers need to carry (separate from main footlocker or bags) an overnight bag with the following items:

- 1) modest travel cash as needed;
- 2) a handbag containing toiletries, next day's clothes, and pajamas;
- 3) a pillow and sleeping bag or sheets for overnight.

WEAR

Campers should wear a CEDARS shirt so they are easily recognizable in the airport.

CONTACT

The CEDARS Express Team is in both terminals, and headquartered at a table by baggage claim (in each terminal) on travel day. Your child should look for adults wearing CEDARS shirts, carrying CEDARS clipboards. In the rare instance your camper can not find a CEDARS representative, call 636-795-2228, or ask an airport official to have CEDARS Camps paiged over the intercom system.

Most importantly, please join us in hourly packing your camper and his or her camp experience with the prayerful rejoicing that *"The Lord shall preserve thy going out and thy coming in from this time forth, and even forever more"* (Psalms 121:8).
